

SPANISH STATE REGULATION FLAGS

Data collected from [Flags Of The World \(FOTW\)](#) and [Wikimedia Commons Public Files](#)

1936-1938 State Flag and Naval Ensign

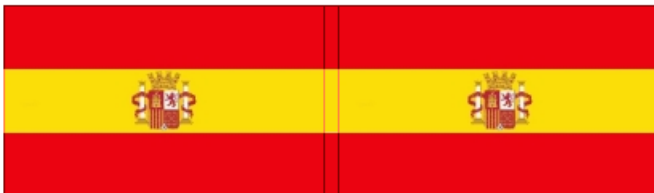

As hoisted at Franco's HQ in Salamanca, and on Baleares battleship

Civilian Flag and Merchant Ensign

At first, no regulation was provided on the Coat of Arms, therefore allowing variants using that one of the Republic, or even re-using a formerly Republican flag by simply stripping off its lower purple stripe and replacing it by a red one, as shown below

State Flag and Naval Ensign - 1938 onwards
