

SCW Basic Painting Suggestions

6: Foreign Legion

According to Vallejo's Model Color 70 range chart

For all those seeking a painting schema where ultimate colours shown are closer to the base coating applied at start – perhaps more intuitive than those shown at Minairons figures box reverses. Useful too for those willing to be offered multiple choices.

Element	Description	As suggested in Box	My personal choice	Even more choices
Isabelino cap	Greenish-tinged Khaki	70-922 USA Uniform	70-823 Luftwaffe Camo Green	70-924 Russian Uniform
Officers' cap tassel	Gold	-	70-996 Gold	
Low ranks cap tassel	Red	70-908 Carmine Red		
Uniform Tunic & Trousers	Greenish-tinged Khaki	70-922 USA Uniform	70-823 Luftwaffe Camo Green	70-924 Russian Uniform
Uniform Shirt	Greenish Grey	70-971 (Pale) Green Grey		
Belting	Black	70-950 Black		70-818 Red Leather
Boots	Untinged fabric	70-918 Ivory		
Haversack	Black	70-950 Black		70-818 Red Leather
Canteen		-	70-880 Khaki Grey	
Bayonet scabbard	Black	70-950 Black		

Tip: If your base coat uses to be darker than ultimate layers, then 70-823 or the even deeper 70-924 Russian Uniform WWII are OK for tunic and trousers; otherwise, it would be advisable to choose 70-922 instead (green brightness can be reduced by mixing it with a drop of 70-879 Green Brown).
